

THE INVENTION

GUK

Duuuuude, this is a SICK cave painting.

MUHBUH

Thank you, thank you.

GUK

I love the way you kept your fingers TOGETHER before pressing your hand on the wall.

MUHBUH

Mixin it up, you know?

Gohgok enters, running.

GOHGOK

Guys! Guys!

Guk and Muhbuh sigh.

MUHBUH

Hey Gohgok.

Gohgok shows Guk and Muhbuh what he has in his hands. He has FIRE in his hands, like, a stick on fire, or a bunch of sticks, or some type of fire.

GOHGOK

Look!

GUK *grossed out:*

Yugh.

MUHBUH

Why are you HOLDING that?

GOHGOK *very excited:*

I invented FIRE!

GUK

I mean, you didn't "invent" fire, you DISCOVERED fire.

GOHGOK

Oh okay, I see that YOU, Guk, just invented being an unappreciative dick.

GUK

Ha, no I actually got that from Sog-gog!

(calling to another caveman, while pointing a thumb at Gohgok:)

Sog-gog, sick invention, this is great!

SOG-GOG *far away:*

Whatever!

GUK

Hahaha, I love that guy.

MUHBUH

Dude put that away, that smells.

GOHGOK

Guys I think this one is a big deal, and you're not, fully appreciating what this could do for us.

Grugnug enters with a WOLF, running.

GUK and MUHBUH *bro-y, happy to see Grugnug:*
Grugnug!

GRUGNUG
Guys! Guys!

MUHBUH
What's up, dude?

GRUGNUG *kinda frantic:*
Me and this wolf, Mega Man, who I've been sharing my food with,

GUK
Dude he is sooo into that, giving food to a wolf is a great invention.

GRUGNUG
Well I think, relatedly, well, just, look!

Grugnug starts giving Mega Man a handjob, Mega Man is immediately on board they did this just earlier and Mega Man wants round 2.

Guk and Muhbuh are puzzled.

GUK
Okay, you're like, touching around where his back legs are?

MUHBUH
Mega Man is on top of him.

Grugnug is really giving this wolf a good time with a handjob combined with oral. When Mega Man is done humping, Grugnug turns the penis so that it's backwards, like it would be if Mega Man were knotted post-sex with a she wolf.

Grugnug looks back and forth between the other cavemen and the wolf penis.

Guk and Muhbuh point excitedly.

GUK

Grugnug invented wolf dicks!

MUHBUH

This is the best invention I've ever seen.

GOHGOK

Okay, well, he didn't INVENT wolf dicks, I think Grugnug DISCOVERED wolf dicks.

GUK *to Grugnug*:

Okay, Grugnug: Did you INVENT wolf dicks, or DISCOVER wolf dicks?

GRUGNUG

I think, uh. I think I invented wolf dicks.

GUK *to Gohgok*:

Grugnug invented wolf dicks.

GOHGOK

You guys suck.

GUK

I. Wanna suck on that wolf dick.

MUHBUH

Dude I call second.

GRUGNUG

There's plenty of room for both of ya on this thing, come on down.

GOHGOK

Okay well I'm gonna go make more fire.

MUHBUH

Yeah whatever I don't care.

GUK

Wolf diiiiiiick!

MUHBUH begins a chant, and then others quickly get on board:

CHANT

Wolf dick, wolf dick, wolf dick, wolf dick,

The chant continues as Guk and Muhbuh begin blowing the wolf together.
